

Dear Parents,

Though we are sad that the year is moving by so very quickly, we are looking forward to Spring! February was a fun month, with the children especially enjoying our Valentine's Day Celebration. The kids had fun giving and receiving Valentine's, as well as the sweet treats!

March will be a busy month. We will be learning the numbers "11" and "12", the shapes oval and octagon and we will continue to review colors. Our March themes include "Bear Fun", "St. Patrick's Day", Insects and conclude with Spring.

Sincerely,

Ms. Tina and Ms. Amy
