

Dear Parents,

Welcome to the Angelfish classroom. My name is Kathy Kirk and I am the lead teacher. Monica Theiss is our classroom assistant. We are so excited to get the 2023-2024 year underway and create special memories. Mrs. Theiss and I have worked together in the 24 month classroom for 3 years. Mrs. Theiss brings a wealth of knowledge but an even bigger heart. She is married and has 2 adorable children. She resides in Loveland. I am starting my 16th year at Wee Three Kings. I am married and have 4 awesome children. I live in Loveland as well. I received my bachelor's degree from Xavier University and my MSW from the University of Denver. Mrs Theiss and I share a deep affection for working with little ones. We love to laugh, inspire and encourage others. We hope that you and your child are as excited to begin this new adventure as we are.

We would like to offer you an opportunity to meet before the first day of school. These will be 15 minute sessions for you and your child to explore the classroom. Please see the attached Signup Genius to schedule your session. Here is the link for the sign up.
