

## 4's STEAM Newsletter

Welcome STEAM students! Our first day of class is near and I am excited to begin our adventure together.

Our goal is to create an environment where students are free to question, experiment, create, communicate and explore the world around them. Each class will focus on a central theme. After exploring our theme through discussion, stories and centers, students will have a STEAM Challenge to complete. STEAM challenges are designed to make students THINK outside of the box.

Our class Daily Schedule is as follows:

- 9:00 Bathroom
- 9:10 Prayer, Welcome Song, Helper, Calendar, Weather, Pledge
- 9:20 Story, Theme, Discussion
- 9:45 Recess
- 10:05 Bathroom
- 10:15 Small Group/Centers
- 11:00 Recess
- 11:20 Bathroom
- 11:30 Lunch
- 12:00 STEAM Challenge
- 12:40 Reflection, Story, Closing

This schedule is tentative and will be flexible based upon our weekly STEAM Challenge themes.

During the month of September we will

- Learn about Monster Manners and build a monster
- Explore apples with balance and chutes
- Build sturdy structures for the Three Little Pigs
- Create a self sculpture

Mrs. Shaw and I will see you with open arms and lots of smiles and hugs! As a reminder, I will not be in class until September 22, but I assure you, your children will be in good hands with Mrs. Shaw and substitute teacher Mrs. Carey.

Fondly,  
Mrs. Boldizar
